## Tropical Disturbance Wreaks Havoc Here

### STATE AND DISTRICT DELEGATES NAMED

A County Democratic Convention was held Tuesday at the Courthouse when delegates from the county were named to attend the District and State Conventions of the State Democratic Committee.

Walter James Phillips, Dan M. Russell, John Egloff, J. G. Kelly and Ed Larroux were named as delegates. They will attend the uninstructed District Convention to be held in Hattiesburg, July 3, and the State Convention, at Jackson, July 16.

The county convention also elected the following to serve on the Hancock County Democratic Executive Committee:

Beat 1—Lamar Otis, J. G. Kelly, H. G. Davis, Sr.  
Beat 2—M. G. Eckles, Tom Thigpen, Forrest Wheat.  
Beat 3—Alex Ladner, Tom Harriel, Victor Dedeaux.  
Beat 4—Willard Palmer, George Curet, Roy Lee.  
Beat 5—Douglas Bourgeois, Sidney Bourgeois, Jos. Colson.

### SECOND PRIMARY OF BEAT TWO TO BE SATURDAY JUNE 16

The second primary to elect a member of the Hancock County Board of Supervisors from Beat 2 will be run Saturday July 16. Mrs. Samantha Kellar led the first race with a total of 53 votes cast in two precincts with her next opponent Elmer Alsbrook, totaling 48 votes from the two precincts.

Mrs. Kellar, and Alsbrook are seeking the office held by the late Frank Kellar, who was unopposed in the regular elections held last August, and who was elected president of the Board, when they took their oaths of office in January.

The Board had nominated Mrs. Kellar to serve in her late husband's place as a Board member until the special election should provide an elected member to replace Kellar. Jack Lott, Supervisor from Beat 4 was elected to serve as president of the Board following the death of Kellar.

Mrs. Margaret H. Shadon, Bay St. Louis, President of the Mississippi Coast Underwriters Association will extend greetings from the Coast group to the 58th Annual Convention of the Mississippi Association of Insurance Agents to be held at Edgewater Gulf Hotel, Edgewater Park, Miss.

Response to greetings will be made by Warner Wells, Jr., of Greenwood, Vice President of the Mississippi Association of Insurance Agents. More than 500 independent local capital stock insurance agents and their guests are expected to attend the annual gathering.

### VACATION SCHOOL LAUNCHED WITH LARGE ENROLLMENT

The Summer Vacation School of Christian Doctrine, Our Lady of the Gulf Parish, opened Monday with an enrollment of 109 students.

Msgr. Michael McCarthy said that each day of this week there have been additional pupils to enroll, and despite the very bad weather Wednesday, pupils were present in full force.

The classes will continue until July 1. On that date there will be First Communion and Confirmation with His Excellency, Bishop R. O. Gerow, present.

A picnic is being planned for next week for the students. Children enrolled are those who have been unable to attend Parochial Schools, and are members of the Parish. They include Our Lady of the Gulf Church, St. Joseph's Mission, St. Henry's Mission and Bayou Lacroix church.

Four Sisters of St. Joseph are instructing the classes. Two of them are natives of Hancock County, Sister Eileen, a former Bay St. Louis girl, and Sister St. Ann, who before entering the order lived with her family near Kiln. Both Sisters were graduates of the local convent, and upon completion of their high school work here, entered the teaching order. The other two Sisters instructing in the school are from Cincinnati, Sister Gartrude and Sister Leonie.

At Monday's meeting, the board also approved plans outlined for enlarging the back rooms of the building, in order to provide additional reading room space and stacks for new volumes acquired by the library.

High praise and appreciation was expressed by the board for the fine program of summer story hours for children conducted each Friday morning at the Library by the ladies of the American Legion Auxiliary.

The library wishes to call the attention of the public to the facilities of the library which are available to persons of all ages. It is hoped that more and more residents and visitors will make use of this fine community institution.

### WAVELAND CHURCH FAIR JUNE 16 - 17

St. Clare's Church, Waveland, will hold its annual fair Saturday and Sunday, June 16 and 17. It is hoped that as many as can will attend.

The ladies working so hard for the success of the project assure the public there will be much good food, home made cakes and candies, handsome fancy work and other items to purchase at the various booths.

Contributions may be made by contacting Mrs. Ed. Carrero at her home in Waveland.

### LADY OF THE GULF CHURCH FAIR TO BE JULY 14 - 15

Our Lady of the Gulf Catholic Church will hold its annual fair July 14 and 15 on the grounds of the St. Stanislaus Day School, near the L & N station.

At a meeting of the fair committee Monday night, presided over by the Rt. Rev. Msgr. M. J. McCarthy, the group decided to include the serving of a hot supper on both nights of the fair.

### Caught With Carload Of Whisky

Driving a Cadillac car, loaded with an estimated \$810.43 worth of whisky, George Fava, Pass Christian resident, was arrested last Friday morning at 12:30 a. m. about two miles west of the weighing scales on Highway 80. Irving Rippey, Acting Inspector State Highway Patrol, and State Highway Patrolmen Martin and Taylor made the arrest.

Trial was held before Judge Nelius Rhodes, Friday morning at 11 a. m. at the request of the defendant.

He was found guilty on three charges and fined \$100 and court costs for the possession of whisky, \$10 and costs for improper license tag and \$5 and costs for speeding. Fava has appealed all three charges to the Circuit Court.

The arrest was made by the patrolmen when Fava was spotted speeding on the Highway. When the car was stopped the whisky was discovered and checking disclosed use of an im proper tag.

Sheriff Sylvan Ladner was called to the scene by the patrolmen and witnessed the destruction of the whisky.

### Members Enjoy Redemptorist Parish Picnic Here Sunday

For the first time in a number of years, Bay St. Louis was the scene of one of the large picnics that were formerly a Sunday occasion here.

More than 1100 persons came by train and motor from New Orleans to St. Stanislaus grounds where they frolicked and lazed through a gala holiday of swimming, playing games and generally enjoying the Gulf Coast.

The group were members of the Redemptorist Church Parish, New Orleans. The picnic was sponsored by the Holy Name Society and the Knights of Columbus Council of the Parish.

Train carrying better than 350 passengers arrived in Bay St. Louis Sunday morning with a portion of the group. Others came in cars and busses.

The Sidelines Club of St. Stanislaus handled concession stands, with cold drinks and other conveniences for the large party.

The Bay St. Louis picnic had been planned and arranged by Rev. Pfieffer, Pastor of the church, aided by Fred Eagan, chairman of the day.

In years past each Sunday used to bring such picnics from New Orleans. Bay St. Louis was the mecca of merry-makers bent on a day of fun on the Coast.

It was a treat to see the beginning of a return of such functions to Bay St. Louis. Spending a pleasant day, in environs which provide good clean fun and relaxation for city dwellers, will naturally turn their thoughts such a day when planning more prolonged vacations.

Of the 1100 or more people who were members of the Sunday picnic, it is possible that a large percentage will return again during the summer months, or for other week end holidays.

Of the 1100 or more people who were members of the Sunday picnic, it is possible that a large percentage will return again during the summer months, or for other week end holidays.

Called by weathermen a tropical disturbance, which reached 60 miles an hour, with rapidly rising tides, wreaked considerable damage Wednesday along the entire coast.

Heavy rains which poured all day Tuesday preceded the high winds and downpours of Wednesday.

On this side of the Bay, an estimated \$100,000 or better was the monetary toll of the earliest of the tropical storms to come in this season.

From Jordan River to Bayou Caddy, high tides caused the waters to rise in many places over the roadway of the seawall. Swells and windlashed waves butted piers and seawall, causing damage along the entire coastline.

Municipal and American Legion piers, the two public piers of Bay St. Louis, were totally destroyed. National Guardsmen, Legionnaires and employees of city and county were organized in attempts to drag in salvage, and clear debris. Individual citizens also joined in the work. Crews from the Miss. Power Co. were on the constant go repairing high tension wires broken from falling trees and limbs.

Telephone linemen were also kept busy during the long day, repairing damaged wires, thereby keeping service going.

Water backed up from the Jordan River and in the many bayous back of Bay St. Louis. At Bayou Lacroix, the water had reached waist height about two o'clock in the afternoon. Inmates of the County Home were evacuated.

At the Bay-Waveland Yacht Club, the entire area of the club was under water, and frantic work went on in trying to jockey boats into safe anchorage. The water reached a possible 18 inches to 24 inches on the lower floor of the Viguerie home. Garage men report dozens of cars brought in needing cleaning from having been through the salt water. Private piers along the entire Bay-Waveland coast were damaged or destroyed.

### "The Rainmaker" Next Play For Little Theatre

This week the curtain goes up on one of the most enjoyable plays the Bay St. Louis Little Theatre has produced in the ten years it has been in existence.

To celebrate its tenth anniversary, the Theatre Board promised itself it would give the membership a series of plays that would top all its successes of the past; and in the first two productions it is fulfilling that promise. "The Rainmaker" is guaranteed to please the most captious critic.

The cast is solidly good, our veterans giving outstanding performances, and the newcomers promising that backlog of talent which is so essential to steady growth. The play itself is a fine one, with plenty of belly laughs but also with an occasional flash of poignancy and beauty to reach out and hold the audience.

The set of "The Rainmaker" is one of the most interesting the Little Theatre has attempted. It is really three sets in one, and in itself, is testimony of the long way our Theatre has come in ten years.

The play will be presented on Thursday, Friday and Saturday nights at 8:15 p. m. Tickets for non-members may be purchased at the door.

At Monday's meeting, the board also approved plans outlined for enlarging the back rooms of the building, in order to provide additional reading room space and stacks for new volumes acquired by the library.

Stovall Lowrey, Clarkdale, Miss., and Dr. George T. Gilluly, Dean of Dr. James F. Redmond, Supervisor of the parent's viewpoint conference at the University of Mississippi. The conference will be held at the University of Mississippi June 26-27. They will cover discipline from five viewpoints and will bring their ideas together at the end of the conference in a panel discussion of student discipline as a cooperative venture between the educator, the administrator, the parent and the psychologist. Dr. James F. Redmond, Superintendent of New Orleans Schools, will begin with "Discipline—The Administrator's Viewpoint." Dr. Redmond began teaching at 19 and has administered a number of school systems. The parent's viewpoint will be discussed by Mrs. Stovall Lowrey, Clarkdale, President of the Mississippi Congress of Parents and Teachers, a former English teacher. Following Mrs. Lowrey, Dr. Redmond will address the conference on discipline, as it is expected by the public. The psychologist's view will be outlined by Dr. Herbert Sorenson, Distinguished Professor, the University of Kentucky. Dr. Sorenson began his teaching career in rural schools and has since served as university professor and college dean. Dr. George T. Gilluly, Dean of Moline Community College, Moline, Illinois, will speak on "Discipline—An Educator's Viewpoint," and the conference will end with a panel discussion of "Discipline—A Cooperative Venture". The conference is sponsored by the School of Education of the University of Mississippi.

## Four Speakers To View Discipline From Five Viewpoints At Education Conference At University

Four visiting speakers will discuss student discipline during the tenth annual Education Conference to be held at the University of Mississippi June 26-27. They will cover discipline from five viewpoints and will bring their ideas together at the end of the conference in a panel discussion of student discipline as a cooperative venture between the educator, the administrator, the parent and the psychologist. Dr. James F. Redmond, Superintendent of New Orleans Schools, will begin with "Discipline—The Administrator's Viewpoint." Dr. Redmond began teaching at 19 and has administered a number of school systems. The parent's viewpoint will be discussed by Mrs. Stovall Lowrey, Clarkdale, President of the Mississippi Congress of Parents and Teachers, a former English teacher. Following Mrs. Lowrey, Dr. Redmond will address the conference on discipline, as it is expected by the public. The psychologist's view will be outlined by Dr. Herbert Sorenson, Distinguished Professor, the University of Kentucky. Dr. Sorenson began his teaching career in rural schools and has since served as university professor and college dean. Dr. George T. Gilluly, Dean of Moline Community College, Moline, Illinois, will speak on "Discipline—An Educator's Viewpoint," and the conference will end with a panel discussion of "Discipline—A Cooperative Venture". The conference is sponsored by the School of Education of the University of Mississippi.

## HOME AGENT'S NOTES

by  
IDA LAURA GARRAWAY  
Home Demonstration Agent  
Hancock County

We have a state-wide event coming up next week of great interest to the Hancock County Home Demonstration Club members. It is the Mississippi State Home Demonstration Council at the College, beginning Monday, June 11th and ending at noon on Tuesday. The official delegate from the Hancock County Council will be E. F. Gates. She will be the one who represents the mem-

bers of our county as plans are made and approved for the Home Demonstration Program of Work for the coming year.

### MONEY MANAGEMENT

At the end of the month or a shopping trip, we have all wondered where all our money went. The Wallace, a typical, but make-believe farm family, had this same problem.

They found an answer, that all six members of the family liked and that all six had a part in determining. If you'd like to read about them and their money management ideas, ask at the home agent's office for a copy of Extension Publication 319, "The Wallace's Win This Way." It's yours for the asking.

The back page gives a list of "money stretchers" that may give you an idea to help your budget. The first one on the list is: Avoid "spur of the moment" purchases. Use planned shopping lists.

### WHAT TO DO FOR A BLISTER

As you work in the garden, your flowers, or slice cucumbers for pickles, you may be unfortunate and make a blister on your hand. And then the question arises as to what you should do to keep it from being so painful or getting infected.

The advice is to open it the following way: insert a sterilized needle under the skin near the blister, and bring out the point inside the blister. Then carefully press out the water. Wash the blistered area with alcohol, or swab it with iodine, before and after opening it.

Thoroughly wash your hands with soap and water both before and after working on the blister. To sterilize the needle—make the tip red hot in an

open flame, then let it cool.

### JUNE, DAIRY MONTH

Along with the hot weather of June, comes a plentiful supply of dairy products. And what can be more refreshing and cooling than a tall glass of milk or a bowl of creamy ice cream.

You will find milk fits into your menus for cooking, for drinking and for delicious desserts. So take advantage of the abundant supplies and use more dairy products. Milk, cheese, butter, ice cream and all other dairy products add nourishment and enjoyment to a meal and between meals, too.

### ROUND PURPLE STAMP

A small round purple "stamp of approval" found on many cuts of meat is your assurance of cleanliness and wholesomeness. Mrs. Shopper. His twin printed labels of canned and frozen meats and other meat products, reads "U. S. Inspected and Passed by Department of Agriculture."

The stamps mean that a trained Federal Inspector has carefully examined the pieces of meat or the meat product bearing the stamp and found it satisfactory as human food.

### REVIVAL TO START AT KILN BAPTIST CHURCH

The Shifalo Memorial Baptist Church in Kiln announces its summer revival which will begin Sunday, June 17. Rev. S. P. Powell, pastor of Union Baptist Church in Poyune will be the visiting evangelist. Rev. Tom Lee, a member of the faculty of Clark College in Newton, Miss., and a native of Poyune, will direct the singing. Rev. Powell was superintendent of the Kiln School for many years and Rev. Lee was a deacon in the old Kiln Baptist Church which was located at that time by the mill.

This will be the first opportunity for everyone not only to hear and enjoy the Gospel but also to see, hear and fellowship with these two men they have known for so long.

Rev. Bob McNamee, pastor of the Kiln church wishes to give all a loving invitation to attend this week of revival meetings. The meeting is scheduled to close Sunday, June 24. On this day there will be a baptizing service the grounds and following this there will be baptizing service in Dr. C. M. Bannister's swimming pool.

A survey has suggested that high salt intake is a possible cause of high blood pressure.

The American Telephone and Telegraph Company has announced an expansion program that will cost more than \$2,000,000 in 1956.

Tower of Pisa leans farther; may be rebuilt.

## Kantcha Ketchum

### TIDE TABLE

For Week of June 15th Through June 21

	HIGH	LOW
Friday	8:03 AM	11:14 PM
Saturday	7:40 AM	7:44 PM
Sunday	7:44 AM	7:27 PM
Monday	8:29 AM	7:57 PM
Tuesday	8:42 AM	8:34 PM
Wednesday	9:38 AM	9:13 PM
Thursday	10:20 AM	9:49 PM

High and low tides mean maximum height of water at high tide and low tide respectively.

Why Kantcha Ketchum? everyone else is. Fishing has been at its best for the past three or four weeks. Both salt and fresh water fish have been caught abundantly.

Reports have come in of catches as large as 200 specks in one afternoon. Green trout and perch have been striding well also.

Alden Mauffray and Harold Bates and yours truly caught 24 large green trout last Sunday up Jordan River on the fly rods. They were all nice ones.

Among those catching speckles out at the Keys were August Rauxet, Ed Heath, Joe Kern Carl Banderet, Fred Garner, Eddie Hoelz, Jimmy Letellier, to mention a few.

Live bait has been plentiful at both ends of the seawall. Even Jordan River has its share of shrimp right now.

Forrest Favre and Curtis Favre speared some nice flounders up Jordan River one night last week. Over 20 we think.

Jimmy Larroux made a nice catch of flounders Saturday night—don't know just where.

Harold Bates and yours truly stuck 15 flounders up Jordan River Saturday night.

Mr. and Mrs. P. Lambremont and family have been enjoying fishing and crabbing at the Bay while vacationing here. They are from New Orleans.

Mr. and Mrs. Lucien Favre who have a home on Jordan River had as guests Mr. and Mrs. Keel of Gulfport they enjoyed fish fries and crab boiling plenty.

Judge Rene Viosca and family have been seen each weekend up the river. The Judge goes after red fish and specks and usually gets his share.

Soft crabbing has been on the wane for the past two weeks. The tide has been going out too early we think. However a few are still being caught.

Eddie Hoelz's Fishing Camp has been a lively place recently with plenty of live bait and skiffs for the fishermen and a restaurant full of sea food for their patrons. They also have 2 nice boats for taking out fishing parties.

Mr. and Mrs. Vic Fourret were displaying some nice specialties they caught last week out front.

Bob Genin and Red Carver say they have been catching both fresh and salt water fish up Pearl River way.

Capt. Kidd and Teddy Stechmann have been giving green trout a hard time while fly fishing.

Benny Hille has been remodeling his boat house up Jordan River. He says he expects to do some fishing if he gets caught up with his work.

Junior Breath had a real display at the opening of his new place on Highway 90. His place is one of those "wishing wells"

## FOREIGN AID

The House last week gave a solid vote to President Roosevelt's foreign aid program. The House passed the bill by a vote of 300 to 100. The bill authorizes \$4.9 billion for the fiscal year 1937 of 4.9 billion dollars.

When eight hundred million dollars are at stake, there is an important question of balance for foreign aid. The House passed the bill by a vote of 300 to 100. The bill authorizes \$4.9 billion for the fiscal year 1937 of 4.9 billion dollars.

At the same time, that I did. As chairman of the Foreign Affairs Committee of the House, Congressman Charles McNary, of Indiana, has not only supported the foreign aid program in fact, but he has carried the load for both the Democrat and Republican Administrations in the fight for this program for the past several years. However, he thought the Administration had failed to justify the demands for such a gigantic sum of money and like some of the rest of us feels that the program should taper off rather than be increased in its scope year after year. He pointed out that even with this cut, the House was authorizing the sum of \$277,675,000—more than was authorized last year and \$360 million more than was appropriated last year by the Appropriations Committee.

# The Old Gray Mare Just Ain't

MONTHS LATER THERE MAY BE A WASHING FROM THE AMERICAN SCENE, but Marion Shady, East St. Louis, has been here for 25 years. The number was 27 million in 1911; by 1936 there were but 24 million; and today there's less than 5 million draft animals in use, or less than the number 25 years ago.

ALSO COME AND GONE have been Cyrus McCormick's first reaper and the tractor that followed. This reaper did the work of five men.

TODAY NEARLY A MILLION COMBINES, large and small, have replaced reapers and binders in America's March of Farm Progress.

TRACTORS HAVE MOVED IN to increase productive work a farmer can do in a day, the number skyrocketing from only 245,123 in 1920 to 4,777,700 now on farms. Today's farm wages are three times as high as they were in 1910, and the number of people to do the work on farms has dropped one-fourth in 15 years.

# COUNTY AGENT'S NOTES

BY HOWARD F. SIMMONS  
Hannibal County Agent

Good quality hay will pay you better than poor quality. You have the choice of which you will save.

Cutting in the right stage of maturity, curing just the right amount of time and storing properly all have a part in determining how good or how poor your hay will be.

Your local county agent can give you specific information on when and how to manage the different hay crops. See him for specific information.

## DAIRY COWS

Take care of your dairy cows in hot weather... failure to do this can mean a serious drop in milk production.

Make sure that shade is available in all pastures. Practice night grazing where possible. The cows will graze more at night. Have an ample supply of clean, cool water close by the cows at all times. Cows will not walk great distances in the hot sun for water.

Neither will they do much grazing in the heat of the day and a cow must eat to produce. So

take care of your dairy cows in hot weather... failure to do this can mean a serious drop in milk production.

Get your free copy of the leaflet on controlling garden bugs. It is free and tells how to control them.

## PASTURES

Management will pay off on your program. It is safe to predict that every permanent pasture in Mississippi will need mowing in June. And the man who does not mow, will have poorer pastures than those the man who does.

Do not mow or clip off grass. Raise the blade four to six inches so that all cover will not be clipped off.

June is also a time to make another planting of Sudan or millets for temporary grazing. It will pay to plant the Sudan or millets in rows. When planted in rows, ten pounds of seed per acre is enough. If planted broadcast, use double this amount.

Fertilizer should be put out at planting time. Those who wait and top dress after the plants are up lose about two weeks of good growing time.

On old Sudan or millet that

proprations Committee. The scene in the House when the vote came on an amendment to restore the Committee cut was a tense and dramatic one. Chairman Richards was opposed, as we pointed out on the floor by the President of the United States and the Speaker and Majority Leader on the Democratic side and the leadership on the Republican side. However, after a rather spirited debate in which Speaker Rayburn made 1 of his infrequent floor appearances and Minority Leader Martin read a dramatic appeal from President Eisenhower, the House by a vote of 192 to 112 sustained the action of its Committee in the cut. In our years of experience in the House, I do not recall having seen this powerful combination defeated.

This action on the part of the House in addition to being a strong endorsement of and compliment to Chairman Richards was indicative of the fact that Congress is becoming tired of trying to buy friends abroad with

## TWO PARTIES SCHEDULED FOR NEXT WEEK

Two large parties are scheduled for next week, claiming interest in the social world of the Coast. Invitations have been received for a morning coffee to be held at the home of Mrs. E. E. Allgeyer on Jeff Davis Avenue, with Mrs. E. C. Carrere and Mrs. Joseph R. Scharff, cohosting. This event is scheduled for Thursday, June 21.

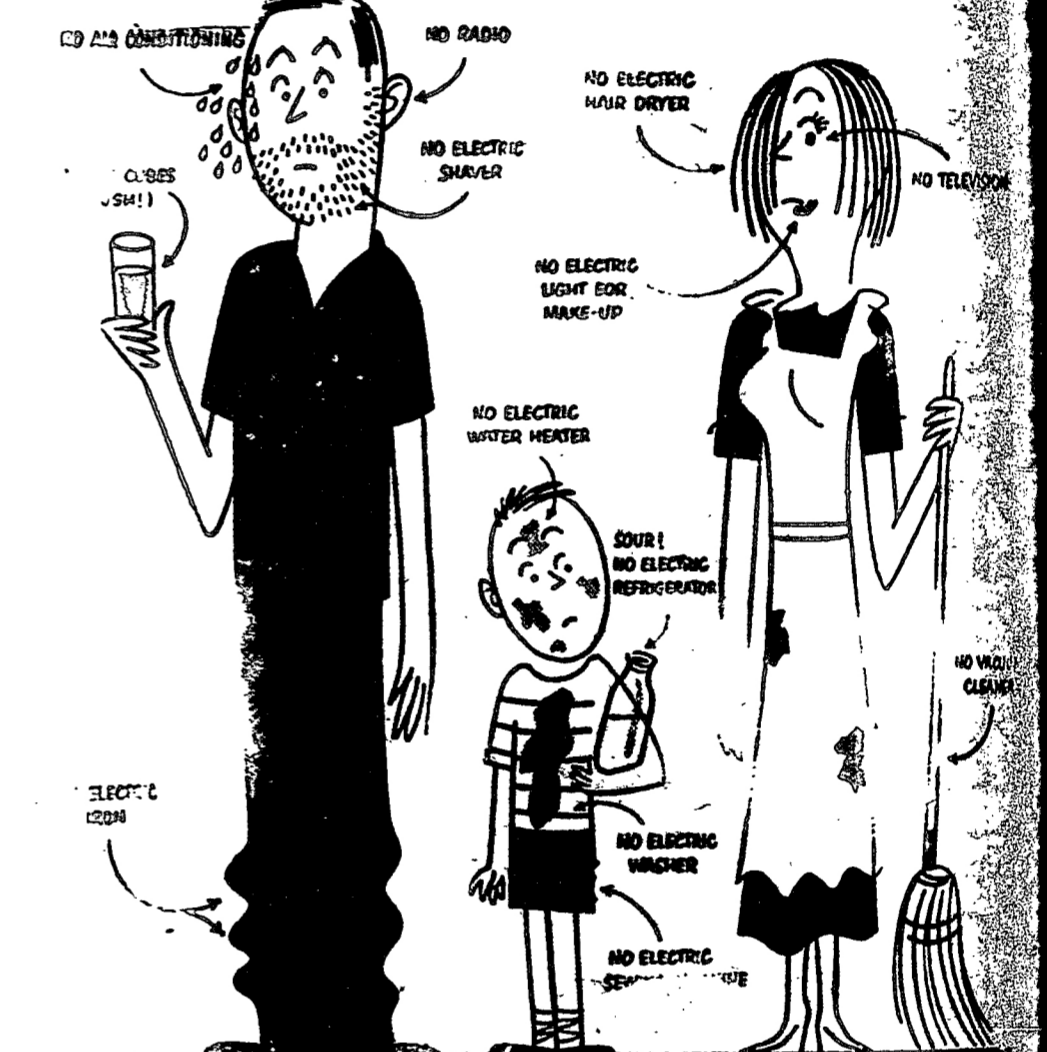

Mrs. Herbert Ratenburg and Mrs. Roy Dennis have sent invitations to a luncheon on Wednesday, June 20. This party will be held at the Bay-Wave-land Yacht Club.

ever-increasing gifts of gargantuan sums of money to foreign countries. Moreover it was a wholesome demonstration of independent legislative thinking. It indicated that the Representatives elected to the Congress by the people still believe in the constitutional provision that the legislative, executive and judicial departments of government are independent units of the government. Too often in the past couple of decades the Congress has been inclined to blindly follow the recommendations of the executive department. As the humble Representative in the House, I welcome this spirit of legislative independence as the resultant inspiration that the Congress of long left has shown some disposition to curtail this foreign give-away program. After all, since World War II, the taxpayers of America have shipped more than 50 billions of dollars abroad. That is a lot of money—even in Washington.

# Modern family minus electricity

What would you do without low-price electricity in your home? Well you could use candles. And build fires. And substitute elbow grease for all the jobs electricity does automatically. If you DID, you would be reminded quickly — and forcefully — how much electricity does for so little cost.

Electricity is the biggest bargain in your family budget. What else gives you such value in comfort, health, ease and fun? Keeping electricity high in usefulness, low in price is the main job of Mississippi Power Company.

**PERSONALS**

Norman, who has been in the hospital for some time, is expected to leave in a few days. He is being cared for by his family.

Mr. and Mrs. Albert Jacoby of Metairie, La., visited with their parents, Mr. and Mrs. Louis Jacoby, in the early part of this week.

Miss Kathleen Herlihy left on Tuesday evening to spend several days visiting with her sister, Mrs. Joseph Laura in New Orleans.

Visiting Dr. and Mrs. A. P. Smith for two weeks are their son, A. F. Smith, Jr., Mrs. Smith and their two children of Nashville, Tenn. Spending the summer with her parents is Mrs. Michael Egan and two children of Washington D. C. Mrs. Egan was the former Miss Elsie Smith.

Mrs. Ashley Calogre left recently for a month's visit with her daughter in Knoxville, Tenn.

Mr. and Mrs. Robert Camors with four of their children are enjoying a Caribbean cruise. They will visit in many of the Latin American countries, and will enjoy a stay in Guatemala. They are not expected back here until some time in July.

Mr. and Mrs. Timony Swoop, New Orleans, with their children have opened the Swoop summer home on South Beach. They will remain for several weeks in the Bay. During the summer months the home will be occupied by other members of the family.

**MSGR. JACOBI'S BODY TRANSPORTED**

The body of the late Msgr. Herman Jacobi, until his recent death in New Orleans, Pastor of the Annunciation Church of that city, was brought from New Orleans, where it had laid in temporary interment, to Bay St. Louis, Monday.

Services were held in St. Mary's Cemetery, with members of the family and clergy present.

Bay St. Louis will be the final resting place for this worthy man.

**TIGER TALES**

Since the Bay St. Louis Municipal School District has been reconstituted under the new reorganization program now being carried out through the State of Mississippi, the local School Board is completing plans for improvement and a new building as provided for under this reorganization plan. Plans and specifications are being drawn to present to the State Educational Finance Committee for funds to make improvements in the old High School building and the construction of a new vocational building at the Valena C. Jones Colored School. The architect is now completing these plans.

At the local high school the improvements will consist of such things as re-lighting; re-finishing floors, walls and ceilings of classrooms; re-working of toilet facilities and roof of the building; enlarging the Commercial Department; installing equipment in the Science Laboratory; additional equipment in Homecoming and Commercial Departments; enlarging the Administrative offices; providing a teacher's lounge and toilet facilities; addition of new shelves in the library; improvements in the Band Department; improvements in the dressing rooms and showers in the gymnasium; also painting of the gymnasium.

These improvements have been specifically set up by the Survey Team and recommendations made to the State Educational Finance Committee.

The Board of trustees at a meeting on June 7, 1956 took under consideration the matter of married students in High School. Since the local school board has the right under law to set up policies for the governing of the school, they passed the following resolution:

RESOLVED that, Since many of our patrons and the entire School Board feel that High School students are too young to be married, and Since the school administration feels that it is a definite influence on other students to get married, and Since there is a certain degree of loss of control among other things, The Board feels that it is of the best interest of all concerned not to admit married students or students who have been married to school beginning with the 1956-57 school session.

The Board solicits the consideration of all patrons in carrying out this resolution.

Employment rose from mid-February to mid-March by 500,000, according to Census Bureau estimates.

**WAVELAND WANDERINGS**

by GEORGETTE B. HALL

Mrs. Ed Gipson, Sr., acted as hostess to the New Orleans Ladies Auxiliary of the Fraternal Order of Police on Sunday. The spacious grounds made a fitting place for recreation. There were 50 or more guests and their children present. Swimming was enjoyed and an abundance of good things to eat was on hand. Everyone contributed toward the feast. Among those present were Mr. and Mrs. George Keyer of New Orleans, former superintendent of police.

Mrs. Fred McGuire of New Orleans is a guest of Mrs. Gipson for a few days.

Mrs. N. B. Hall, Lynne Hall, and Mrs. T. H. Brockman enjoyed Monday in New Orleans. They enjoyed shopping, dinner and the theatre.

The many friends of Bill Goetzle are waiting and hoping for good news. Bill is in the Veterans Hospital, Biloxi, Mississippi. He has been on the critical list.

Mrs. Thomas Bourgeois is up and around again after illness. Her many friends wish her continued progress and a permanent recovery.

Mrs. Eulah Walker spent the weekend with her sister, Mrs. Ruth Meiluer.

Mr. and Mrs. Walter Turcotte, Jr. and children are visiting the Turcotte family in Waveland until they can find a place to live in Gulfport. Young Walter is now affiliated with the Southern Bell Telephone Company in Gulfport. Welcome home!

Staff Sergeant and Mrs. Billy Zimmermann and children are now stationed in Tampa, Florida, at Mitchell Air Force Base.

David and Tommy Creel are vacationing with their aunt Mrs. Joyce Raymond and family. They are the sons of Mr. and Mrs. J. D. Creel of Atlanta, Ga.

There are many new names and faces about Waveland recently and as the summer progresses there will be lots more, summer visitors and other guests. If you're wondering where some of your friends are, here's a list of where to find some of them. Mr. and Mrs. Wuning are spending two weeks in the Riehl house on Hillcrest; Mr. and Mrs. J. C. Miller plan to spend the month of July in the Riehl home on Hillcrest; Mr. and Mrs. Leary, also of New Orleans are spending one week in the Gruntz cottage on Jeff Davis; Mr. and Mrs. J. D. Hamburger will also spend a week at the same address; Mr. and Mrs. Steve Lavier will occupy for a week the Stegall cottage on Davis Street; Mr. and Mrs. M. J. Brady plan to spend the last two weeks of June in the Tague log cabin on Surf Street, while Mr. and Mrs. L. W. Rougelot will spend part of July in this attractive spot.

**BIRTHDAY PARTY**

Eleanor Turnipseed, daughter of Mr. and Mrs. H. L. Turnipseed, celebrated her fifth birthday Wednesday at the home of her parents, in Gulfport. An afternoon party, with many little friends to join her on the joyous occasion, proved exciting and fun.

A pink and white trimmed birthday cake, made by her grandmother, Mrs. T. T. Robin of Bay St. Louis, centered the party table, which was laden with all sorts of goodies to delight the small fry. Five lighted candles were on the cake for the little honoree to wish on.

Mrs. Turnipseed was the former Patricia Robin. Mr. and Mrs. Robin attended the party.

**Forestry Being Taught At Kitti Wake To RA's**

For the first time Forestry is being taught to the R. A.'s Boys' Club different Baptist churches over the State of Mississippi. The camp will go on for five weeks, with a different group of boys each week.

The Mississippi Forestry Commission has arranged for their local forester to conduct the course. Area Forester, Marion Parker of Bay St. Louis, Miss., Ranger of Hancock and Pearl River Counties is in charge of the different phases of Forestry being taught to the boys.

Some of the things which the boys are being taught are: How to tell the different species of trees, their characteristics and how they survive under many conditions. Determine the ages of trees without cutting them down, how to figure the number of board feet in a standing tree; determine the number of logs in a tree and how much it is worth standing and what the finished products will be worth. How to manage a small forest where it will produce it's maximum return.

Other things which are being taught: Fire prevention, and suppression; how the towerman in the towers spot fires; how they tell the exact spot of the fire, and how the crews are dispatched to the different fires. The boys are also shown the fire fighting unit in action, plowing fire lanes and the equipment used to suppress the different kind of fires.

Other representatives of the Forestry Commission who have taken part are—Dist. Forester, Oscar Tissue, Wiggins, Miss., Fire Prevention Specialist, Clim Britton, Laurel, Miss., Press Representative, Charles Shotts, Jackson, Miss., and Area Forester, Vadin Lovelace, Wiggins, Miss.

**St. Clare's HNS Monthly Communion**  
Sunday June 10th

St. Clare's Holy Name Society held its monthly official communion last Sunday, June 10th. There were 24 members present at the Mass.

There was a breakfast and short business meeting held after mass at the Waveland Town Hall.

St. Clare's Parish Church is glad to announce its forthcoming Church Fair to be held on the church grounds on the 16th and 17th of this month.

The fair will start at about 5 p. m. Saturday and again at the same time Sunday. Everyone is asked to come and enjoy themselves and help make the fair a success.
